June 13, 2009: Crest Fest 12:00PM to 9:00PM

On June 13th, Crest Fest 2009 will act as the official launch party for the Crest Hardware Art Show. As a means to give back to the community, Crest Fest is structured as a not for profit volunteer-only based yearly event that benefits local community needs. This year's goal for Crest Fest is to revitalize Macri Park; including but not limited to, lawn maintenance, constructing a new fence, and refurbishing the bocce court. Crest Fest 2009 will include a live music stage in Macri Park, a DJ booth in the Crest Hardware Garden Center, street art, local art and design vendors, food and drinks.

Live music performances by Chin Chin, In Cadeo, Wizardry, Twin Shadow, Baby Brother, and a very special guest to be announced. DJ's sets by Nick Catchdubs of Fool's Gold Records, Lucas Walters of Sweatshop Labor, DJ Jamal Ali of the Blue Ribbon Show on East Village Radio, Dom Rocket, DJ Lindsey, Peter Hale, DJ Tabu, Eric EQ, Tim Carter, and DJ Baby K. Art and design vendors provide by Artists and Fleas.
